Conditions.

The successful bidder will be required to execute a bond on stamped paper to act up to the conditions noted below, within one week from the date of acceptance of his tender, and one-fourth of the sale amount will be deposited in favour of the District Forest Officer as earnest money, for the due fulfilment of the agreement, in Government Savings Bank:—

(*a*) The trees for felling will be dead and dry casuarina trees, previously marked by the Ranger in selected compartments only and the felling undertaken compartment by compartment in a methodical manner.

(*b*) No axe should be used for felling but the trees sawn off as near to the ground as possible within three inches from the ground surface and the fuel billets will be sawn to the required lengths, not exceeding three feet in length.

(*c*) The fuel will be carefully assorted and stacked separately on compartment lines or places approved by the District Forest Officer. The stacks should be rectangular in shape and built of such dimensions that the cubic contents thereof are 68 cubic feet or its multiple.

(*d*) The contractor is bound to remove at the accepted rates all fuel pieces over 1½" in thickness and smaller-sized fuel will also be sold to him if required at 8 annas a cart-load or retained by the department for local consumption. From the time the measurement has been taken till the stacks so measured and paid for are thoroughly removed, no felling, billeting or stacking will be permitted.

(*d*1) At least half the stack of dry trees must be felled, paid for and removed by 1st March and the balance by 15th June.

(*e*) Payments must be made for all wood before removal at the accepted rates and all wood will be covered by passports issued by the Range Officer before its removal from the plantation.

(*f*) No fuel should be carted out between sunset and sunrise.

(*g*) All felling and carting should be completed before the end of June 1912.

(*h*) Great care should be taken to prevent any injury to sandal or any other surrounding trees while felling the marked casuarina. Any injury caused to the surrounding growth willingly or negligently by the contractor or his men, will render the contractor liable to pay up such damages as may be fixed by the District Forest Officer.

(*i*) Under no circumstances should fire be lit in the plantations.

(*j*) The contractor should report to the Range Officer from time to time the number of wagon-loads of fuel he removes by rail, the place of their destination and the weight of the wagon-loads.

(*k*) The failure of any of these conditions on the part of the contractor or his men will lead to the forfeiture of the earnest money and cancelment of the contract, under Section 84 of the Forest Regulation, XI of 1900, and all wood paid for but unremoved will lapse to Government.

(*l*) During the period of this contract, the contractor shall not deal in any other casuarina fuel within the Tumkur District.

(*m*) The contractor will maintain a register in the following form :—

Name of plantation	Cubic contents of stacks	Quantity, rate in tons Rs. a. p.	Date of payment	Date of removal by rail	Railway Station	Number of wagons	Destination	Remarks
1	2	3	4	5	6	7	8	9

The contractor will furnish a copy of the register to the District Forest Officer at the end of every month. The register will be open to the inspection of all Forest Officers above the rank of Forest guards.
